

CHMT36 PICK AND PLACE MACHINE

- * All-in-one Machine , 2 Placement Heads
- * High speed mounting
- * Full touch screen operation, no need external PC
- * 29pcs feeders
- * High quality Juki Nozzles
- * Multi PCB assembly support
- * 100% Good feedback

Flexible PCB clamp area

Stronger Axis lead screw

High quality Juki Nozzles

Full Touch screen operation

1-29pcs different width feeders

Complete tool box

Model	CHM-T36
XYZ Axis travel	400mm(X)×460mm(Y)×15mm(Z)
PCB max size	360mm(L)×410mm(W)
Support components	LED,0402-5050, SOP, QFN etc.
Mounting speed	6000cph;
Precision	±0.025mm
Placement head	2 heads
Feeding system	29pcs feeders(8mm 22; 12mm 4; 16mm 2; 24mm 1) ; 8pcs bulk IC front tray;
Demension	960mm(L)×705mm(W)×335mm(H)
Touch Screen	7 inches industry LCD screen
Main board	High-reliability industry motherboard
Vacuum air pump	in-build 2 vacuum pump (mute type)
Support work file	CSV file
Power supply	AC220V 50Hz / AC110V 60Hz
Power	250W
Net weight	65Kg
